Export restrictions on energy storage equipment

Jul 16, 2025 Discover how China''s revised export control catalog restricts battery technologies and lithium processing while balancing innovation with security.

Another area that needs greater attention is export restrictions,with a potential to restrict trade in critical minerals. Export restrictions can take various forms and have several direct and indirect ?

Feb 23, 2023 Abigail Ross Hopper, CEO of the Solar Energy Industries Association, commented that China''s proposal of export restrictions proves that the US must now accelerate in the ?

Oct 30, 2025 Details of China''s export restrictions on lithium battery technology ? Starting November 8, 2025, China will implement export controls on high-end lithium batteries, key ?

Oct 14, 2025 China tightens export controls on high-density lithium batteries, key materials, and manufacturing equipment to safeguard national security and technological advantages, ?

Oct 13, 2025 Announcement No.18 of 2025 of The Ministry of Commerce and The General Administration of Customs of The People''s Republic of China Announcing the Decision to ?

Jan 23, 2025 The proposed export ban comes at a critical moment in the global energy transition. With many industries attempting to accelerate their movement away from fossil ?

Oct 13, 2025 China has announced new export control measures targeting a wide range of lithium battery technologies, materials, and manufacturing equipment. The decision, approved ?

Oct 27, 2025 The Export Control Law, governing the export control of dual-use items and the technology management system for prohibiting export restrictions mentioned earlier, ?

Jul 17, 2025 China Restricts Export of LFP BESS Technology Now The new export controls on the latest technology upgrades for LFP batteries, a sector where Chinese firms hold global ?

Oct 11, 2025 On October 9th, China''s Ministry of Commerce (MOFCOM) announced the implementation of export control measures related to lithium batteries and synthetic graphite ?

Dec 27, 2023 The export restrictions apply to technological and medical equipment, agricultural machinery, electrical equipment, turbines, nuclear reactors, fibre-optic cables, certain types of ?

Export restrictions, or restrictions imposed on goods at the time or point of exportation, can affect trade either explicitly or implicitly, depending on the nature of such restrictions. ... Niobium ?

Jan 10, 2025 China threatens to stop export of iron-based cathode technology If implemented, the move would cement Chinese dominance over the key battery material

Nov 18, 2025 Following the recent trade talks between China and the US on the sidelines of the APEC summit in South Korea, China has agreed to suspend its earlier proposed export ?

Oct 14, 2025 China to restrict battery and equipment exports China is preparing to tighten the flow of critical materials used in energy storage. The Asian giant, which currently dominates ?
