\*EK SOLAR Showroom\*: Provides customized solutions for commercial solar integration (by appointment).

### What to Consider Before Buying

Did you know 68% of buyers regret their purchase due to mismatched capacity? Avoid this by checking:

Output wattage (aim for 1,000W+)

Battery type (LiFePO4 lasts 3x longer than standard lithium-ion)

Solar charging compatibility

Capacity	Range	Price (\$)	Popular Brands
500-1000Wh	300-600	Jackery, Bluetti	1000-2000Wh
800-1500	EcoFlow, EK SOLAR		

"The capital's outdoor power market grew faster than any other European city last year." 2024 Energy Storage Report

### Pro Tip: Check Certification Labels

# Where to Buy Outdoor Power Supply in the Capital: Your Ultimate Guide

---

Look for \*CE\* or \*UL Certification\* 92% of certified units pass durability tests vs. 43% of uncertified models.

With 15 years in renewable energy systems, EK SOLAR specializes in:

Custom solar+storage configurations

IP67 waterproof designs

Bulk order discounts (20% off for 10+ units)

## FAQ: Quick Answers for Buyers

### Where's the cheapest place to buy?

Capital Energy Mart offers entry-level units from \$199, but consider lifecycle costs premium brands last 50% longer.
